

Question 4

1 / 1 pts

_____ is a technique that uses branches radiating from a core idea to structure thoughts and ideas.

Mind mapping

Question 5

1 / 1 pts

A Gantt chart is the same as a project management plan.

True

False

False. You selected this answer

Rationale:

Feedback: The project management plan is much more than a Gantt chart.

Quiz Score: 4 out of 5

Rationale:

Feedback: It is often easier to get approval and funding for projects that address problems or directives because the organization must respond to these categories to avoid hurting their business.

connect

Question 3

0 / 1 pts

A(n) _____ involves analyzing a company's strengths, weaknesses, opportunities, and threats, and is used to aid in strategic planning.

SWOT

Question 4

1 / 1 pts

_____ is a technique that uses branches radiating from a core idea to structure thoughts and ideas.

Mind mapping

Feedback: It is often helpful for IT project managers to have prior technical experience or at least a working knowledge of IT products.

Question 2

1 / 1 pts

Projects that arise as a result of problems and directives must be resolved quickly to avoid hurting an organization's business.

True

False

Rationale:

Feedback: It is often easier to get approval and funding for projects that address problems or directives because the organization must respond to these categories to avoid hurting their business.
